The official transcript authentication, Srinakharinwirot University

Educational Support and Service Office, Srinakharinwirot University has generated an electronic transcript (e-Transcript) and an authorized signature digitally for the specific purpose of an owner, so called 'the academic record owner' or the third parties who directly receive this document from the academic record owner. It is prohibited to duplicate or forward this document to any person or organization other than the original recipient. The release of this record or disclosure of its content to any third party without the written consent of the academic record owner is prohibited and against the privacy law.

The official e-Transcript has been digitally signed and contains exclusive functions. If this document has been generated by the Educational Support and Service Office, Srinakharinwirot University and viewed by Adobe Acrobat® version 6.0 or greater, or Adobe Reader® version 6.04 or greater, it will reveal a digital certificate that has been applied to the transcript. The digital certificate will appear in a pop-up screen or the status bar of the document, display a blue-ribbon and declare that the document was certified by Srinakharinwirot University, with a valid certificate issued by Internet Company Thailand Limited (INET), the provider of electronic certificates certified by the Thailand National Root Certification Authority (Thailand NRCA) and internationally recognized under the Trust Service Principles and Criteria for Certification authority, which offers digital certificates. (Web Trust for Certified Arborists) for Adobe. The current version of Adobe Reader is free of charge and available for immediate download at <http://www.adobe.com>. The blue-ribbon symbol is the assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been revised. Regardless of how long it takes or how genuine the certificate page is, an electronic document with a digital signature will be able to confirm the legitimacy of the digital signature. If a valid certification and digital signature message are not displayed, please kindly reject the transcript immediately. An invalid digital certificate display means either the digital certificate is not authentic, or the document has been revised. The digital certificate can also be abolished or expired. If there's any further requirement or inquiry regarding the authenticity of the official transcript, please kindly contact the Office of the Registrar, email: eds@swu.ac.th or tel. 02-649-5000, 02-258-4196 Ext. 15662 Ongkarak 21003, 21032
